Sub: Test and Expert opinion Report.

Respected Sir,

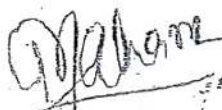

This is with reference to your letter dated 23rd May, 2007 along with sample of Plastics fibers and Polypropylene (PP) granules. I am to inform you that the samples submitted are examined for its various characteristics.

From the analysis observations of PP granules and Plastics Fiber I am of the opinion that fibers are manufactured from virgin Polypropylene (PP)

Thanking you

Yours sincerely,

(P. A. Mahanwar)
